This web site has been compiled and is maintained by the Electricity Information Sharing and Analysis Center (E-ISAC), a department of the North American Electric Reliability Corporation (NERC). E-ISAC and NERC strive to ensure that the information contained in this web site is complete, accurate, and reliable. However, errors or omissions may sometimes occur or content may become out of date. E-ISAC or NERC may also from time to time revise, supplement, or delete the information, services, and/or the resources contained in this web site, and reserves the right to make such changes without prior notification to past, current, or prospective visitors.

E-ISAC and NERC expressly disclaim any obligation to correct or update information posted on this web site or any warranty of any kind, whether express or implied, as to any information or other matters whatsoever arising from or relating to this web site. Entities accessing this web site and relying on the information contained herein do so at their own risk. In no event shall E-ISAC or NERC be liable for any damages of any kind, including, but not limited to, direct, indirect, general, special, incidental, or consequential damages arising out of any use of the information contained herein.

Additionally, from time to time E-ISAC or NERC may post information and/or data received from third parties to the web site. E-ISAC, NERC, and those third parties make no representations or warranties regarding the content or accuracy of any such information and/or data, and in no event shall E-ISAC, NERC, or those third parties be liable for any damages of any kind, including, but not limited to, direct, indirect, general, special, incidental, or consequential damages arising out of such third party information or data. Moreover any opinions or positions contained in such postings are those of the author, and may not represent the opinions or positions of the E-ISAC or NERC.

Access to this web site does not confer any license or ownership interest in either the form or content of the web site, including any confidential or proprietary information or intellectual property of any kind or nature, and E-ISAC and NERC hereby expressly reserve such rights and property in its entirety.
